

Kamikaze-to-Go!

INSTRUCTORS & SCHOOL OWNERS, Make your life easier and **Save money!**

What we can do for you:

- **WHOLESALE PRICING**

Face it, sometimes it's hard to meet the minimums from your vendors every time you want to order. Sometimes your students have to wait a month or longer until a minimum order is met, or pay heavy fees and shipping. **We will give you 30% OFF the retail price of any item from our vendors, in any quantity.** We place orders every Saturday during busy seasons, and *every other* Saturday at other times. And if you pick up the order in our store, there is NO SHIPPING COST to you! (*Have you looked at your vendor invoices closely lately? I can show you one from Century where shipping was 46% of the total cost of my order! This adds up and cuts into your profits!*). Standard shipping costs apply to send to your location.

- **TOURNAMENT/EVENT SET-UP**

We will set up at your location and pay you a fee to set up.

- **PRO SHOP PROFITS**

We can show you how to maximize profits in your ProShop. We've been in business over 10 years, and have been written up in "Retail Focus" and "Entrepreneur" magazines for our expertise in merchandising and promotion. *Don't have a ProShop?* We can show you how to set one up!

- **SEMINAR TOPICS**

Why give your instructors the same old thing?

IS YOUR INSTRUCTOR A JERK? How to spot aggressive personalities (and even pedophilia) in your instructors using handwriting analysis.

MAXIMIZING PROGRAM SALES & RELATIONSHIPS—How to improve your sales by learning personality traits found in your clients' handwriting. Improve understanding with your instructors and students.
